RE: **Registration for the 2022-2023 MasterMinds Season**

DATE: September 1, 2022

Planning is underway for the 2022-23 MasterMinds program. MasterMinds is a team-based, quiz bowl-style academic competition. It provides a competitive structure to recognize the strengths of academically talented students. Students benefit from the opportunity to develop teamwork and learn the value of sportsmanship.

Having returned to in-person play last year, we are again planning on a season of in-person play, this time without masks (unless the state or local entities declare differently).

Program fees are: \$750 per Varsity team and \$327 for an optional Junior Varsity team (varsity participation is a prerequisite). Teams will play a 12-game regular season. Schools are responsible for their own transportation.

If you are interested in finding out more about the program, you can request additional information by checking the appropriate box on the registration form, or by contacting the MasterMinds Commissioner at [nymasterminds@gmail.com](mailto:nymasterminds@gmail.com).

To register, complete and return the enclosed Registration Form **no later than Friday, September 23, 2022**. Once registered, coaches can submit their Prescheduling Form: <https://bit.ly/38pLGdX>

For more information contact Scott Kroner at the state MasterMinds office at (585) 473-0864 or by email [nymasterminds@gmail.com](mailto:nymasterminds@gmail.com). The MasterMinds website also offers answers to a host of questions, as well as a link to the prescheduling form. [www.nymasterminds.com](http://www.nymasterminds.com).
