RE: **Registration for the 2024-2025 MasterMinds Season**

DATE: September     , 2024

Planning is underway for the 2024-25 MasterMinds program. MasterMinds is a team-based, quiz bowl- style academic competition. It provides a competitive structure to recognize the strengths of academically talented students. Students benefit from the opportunity to develop teamwork and learn the value of sportsmanship.

Program fees are: \$775 per Varsity team and \$342 for an optional Junior Varsity team (varsity participation is a prerequisite). Teams will play a 12-game regular season. Schools are responsible for their own transportation.

Last year, schools participating in MasterMinds were offered the opportunity to pilot a chess league that played concurrently with MasterMinds. Following the success of that effort, we are now offering participation in the Albany Interscholastic Chess League (ICL) to all schools; both those participating in MasterMinds and those that might not. The ICL allows students to test their analytical skills in the classic game of logic and strategy against the talents of the brightest students from other schools. The fee for this year will be \$374.00. Like MasterMinds, the league would consist of a 12 game season. If multiple leagues are necessary, there will be post-season playoffs.

If you are interested in finding out more about the program, you can request additional information by checking the appropriate box on the registration form, or by contacting the MasterMinds Commissioner at [masterminds@nymasterminds.com](mailto:masterminds@nymasterminds.com).

To register, complete and return the attached Registration Form **no later than Friday, September 20th, 2024**. Once registered, coaches can submit their [Prescheduling Form](#).
