

Quiz Bowl/Chess 2026-2027 Billing Information Form

School_____

District_____

BOCES Affiliation (if applicable) _____

Contact for Billing: _____

Contact's e-mail: _____

Contact's phone number: _____

Billing Address _____

Purchase Order Number(s) _____
(If applicable)

Please indicate which organization will bill your school:

☐ **CYPRAS**

☐ **Erie 1 BOCES**

Note: CYPRAS has only contracted with this BOCES organization for billing. Your school may be charged a cross contract fee if it applies for billing service as a non-constituent school.

It is our intention to participate in the following activities:

☐ **Varsity MasterMinds (HS)**

☐ **Interscholastic Chess (HS league)**

☐ **Junior Varsity MasterMinds (HS)**

☐ **Interscholastic Chess (MS league)**

☐ **Academic Challenge Bowl (MS)**

☐ **Chess In-season tutorial (HS or MS)**

Our district is planning on participating in activities among multiple schools. We would like our billing to:

☐ Bundle all programs for all schools in a single invoice for the district.

☐ Generate invoices for individuals schools that combine all programs for a given school.

☐ Generate separate invoices for each program at each school. This means that there will be a separate invoice for each program a single school participates in, and there will be separate invoices for each participating school in the district.

☐ **Early Billing:** We wish to be billed by November 1, 2026 (1% discount applied)*

☐ We wish to be billed after the season for quiz bowl or chess has started

*See second page for description of all possible discounts

Please submit to: CYPRAS, Inc.
221 Norris Dr., Suite 2
Rochester, NY 14610

Scanned forms may also be submitted as a pdf file.
E-mail to: cypras@rochester.rr.com

CYPRAS 2026-2027 Billing Information Form

Discounts (CYPRAS Billing Only)

The following discounts may apply to the invoice(s) if your school (or district) participates in multiple programs:

(1%) Full Middle School Participation (Academic Challenge Bowl and Middle School Chess)

(1%) Full High School Participation (Varsity MasterMinds, JV MasterMinds, and High School Chess)

(1%) Full Chess Participation (Middle School Chess and High School Chess)

(1%) Full Quiz Bowl Participation (Varsity MasterMinds, JV MasterMinds, and Academic Challenger Bowl)

Discounts may overlap; a school that participates in Varsity MasterMinds, JV MasterMinds, ACB, and High School Chess will be eligible for a 2% discount for having full high school and full quiz bowl participation during the school year. If the school participates in Middle School Chess, it will be eligible for a 4% discount.

There is an additional discount available for early billing. A discount of 1% applies if the school is billed before November 15, 2026.

If your school does opt for early billing, invoicing will begin on **January 1st, 2027**. If we do not receive the billing information form with the 'Early Billing' option selected by November 15th, your school will be ineligible to receive the discount.

We will assume that CYPRAS is billing your school if we do not receive confirmation of your school's intention to bill through BOCES. Even if your organization is billing through BOCES, we must know who we need to contact at your organization for billing details. Please note the the CYPRAS discounts for early billing and participation in multiple programs are not available through BOCES; they are only available through CYPRAS billing.

Any schools that prepay for a service without receiving an invoice first will not be eligible for any discounts. Please note that given the timeline for billing, schools should have a clear indication of their participation by the January 1st billing date.

There may be aid available to public districts that have their billing handled through BOCES. Contact your local BOCES affiliate or the originating BOCES for more information.

Organizations that have an outstanding balance in the following fiscal calendar (July 1st, 2027 - June 30th, 2028) will be unable to register or participate in CYPRAS programs until the outstanding balance has been resolved.
